RED CELLARMASTER CLUB ~ SPRING 2023

2019 PETITE SIRAH

Price: \$35 . Club Price: \$28

Do you know how Petite Sirah came to be?! Petite Sirah (aka Durif) is the outcome of an experiment conducted by a French nurseryman, Dr. Francois Durif, in the 1860s. In an attempt to create a varietal resistant to mildew, Durif crossed Syrah and Peloursin and named this new variety after himself. Little did Durif know that his new variety would do best in very warm climates like South America, parts of California (Paso Robles) and Australia, not France.

Petite Sirah grapes—small, with a high skin to juice ratio—produce bold, inky dark wines with firm tannins that are best enjoyed with hearty fare like rack of lamb, baby back ribs or beef ragu.

2018 PETITE SIRAH

Price: \$35 . Club Price: \$28

This vintage offers the classic aromas of dark berry—blackberry and blueberry—complemented with a subtle spiciness. Tart, dark berry flavors are supported by velvety tannins, and a rich texture treats the palate to a long, supple finish. An extra year in the bottle has softened the tannins a bit, so this wine can also be paired with grilled vegetables in addition to any red meat you put on the grill!

2018 ROBUSTO

Price: \$43 . Club Price: \$34.40

3rd vintage! Inspired by the *Super Tuscans* of Italy, this Sangiovese and Cabernet-based blend boasts concentrated wine aromas and flavors of dark berries, cherry and fig coupled with a subtle smokiness.

Pair with grilled sausages, lasagna or burgers.
