CELLARMASTER CLUB ~ WINTER 2023

2020 CHARDONNAY

Price: \$28. Club Price: \$22.40.

Big & buttery but *always* balanced, this wine offers rich flavors of tropical fruit, melon & butterscotch. Pair with creamy pastas grilled salmon or **Kim's Homemade Chicken Pot Pie**.

Fun fact! Monterey is the top producing county of Chardonnay, beating out both Napa & Sonoma! Our buttery Chardonnay is made with fruit sourced from Monterey County. **901 cases.**

2020 GRANDPA BARLOGIO ZINFANDEL

Price: \$32. Club Price: \$25.60.

New release! This wine honors the history of winemaking in Harmony. Giacomo Barlogio, Kim's great-grandfather, was a founder of the old creamery in "downtown" Harmony.

Fun fact! Zinfandel originated in Croatia where it is known as Crljenak (aka Tribidrag). Zinfandel also thrives in Italy where it's called Primitivo. Our Zin, grown in Paso Robles, offers an abundance of berry flavors with a bit of spice. Enjoy with BBQs & Italian fare. **616 cases.**

2019 CABERNET SAUVIGNON

Price: \$30. Club Price: \$24.

New release! Chuck's Cabs are always appreciated for their upfront flavors of dark berry, stone fruit with subtle notes of toasty oak & barrel spice. This wine is a perfect match for California fare like tri-tip, burgers & carne asada street tacos.

Fun fact! Cabernet Sauvignon is the most widely planted grape in Paso Robles & the world! Referred to as the "King of Red Grapes," Cabernet is the most popular red in our portfolio. **421 cases.**

Red Wine Members get **2018 SANGIOVESE** instead of Chardonnay:

Price: \$35. Club Price: \$28.

There is precious left of this beloved Italian varietal that offers intense ripe, red berry flavors, bright acidity & kiss of vanilla oak.
