## CELLARMASTER CLUB ~ SPRING 2022

Spring weather can be so unpredictable. In the past month, we've experienced warm, sunny days that make us want to head to the beach with a picnic; crisp, cool days that call for a hearty soup; and rainy days that warrant a cozy fire and glass of wine. This selection of wines will fit the bill for random Spring weather and menus!

### 2021 ROSATO VIVO

Price: \$25 . Club Price: \$20

If we have our Rosato Vivo (*lively rosé*) in the lineup, warm weather is coming! Our seasonal pink this year is made from 100% Syrah. Flavors of strawberry, melon and apricot are complemented by crisp acidity. Enjoy as an afternoon sipper or pair with pasta salad, chicken salad sandwiches or grilled sausages. **397 cases.**

### 2019 PETITE SIRAH

Price: \$32 . Club Price: \$25.60

New release! We love this vintage for its dark berry flavors, clove spiciness and firm tannins. And we're not the only ones who adore this varietal. There are more acres of Petite Sirah plantings in California than there are in the entire country of France! Try this robust wine with glazed pork or spare ribs. **420 cases.**

### 2018 CABERNET SAUVIGNON

Price: \$30. Club Price: \$24

New release! Cabernet Sauvignon, one of Chuck's flagship reds, is always appreciated for its classic dark cherry and dark stone fruit flavors. This vintage boasts a subtle campfire smokiness that will complement a hearty beef chili or barbecued steaks. And a fun fact—DNA analysis indicates that Cabernet Sauvignon is a cross between Cabernet Franc and Sauvignon Blanc! **535 cases.**
