RED CELLARMASTER CLUB ~ SPRING 2022

Spring weather can be so unpredictable. In the past month, we've experienced warm, sunny days that make us want to head to the beach with a picnic; crisp, cool days that call for a hearty soup; and rainy days that warrant a cozy fire and glass of wine. This selection of wines will fit the bill for random Spring weather and menus!

2019 PETITE SIRAH

Price: \$32 . Club Price: \$25.60

New release! We love this vintage for its dark berry flavors, clove and firm tannins. And we're not the only ones who adore this varietal. There are more acres of Petite Sirah plantings in California than there are in the entire country of France! Try this robust wine with glazed pork or spare ribs. **420 cases.**

2018 CABERNET SAUVIGNON

Price: \$30. Club Price: \$24

New release! Cabernet Sauvignon, one of Chuck's flagship reds, is always appreciated for its classic dark cherry and dark stone fruit flavors. This vintage boasts a subtle campfire smokiness that will complement a hearty beef chili or barbecued steaks. And a fun fact—DNA analysis indicates that Cabernet Sauvignon is a cross between Cabernet Franc and Sauvignon Blanc! **535 cases.**

2018 ROBUSTO

Price: \$42 . Club Price: \$33.60

Chuck's newest *Super Tuscan* is a blend is 57% Sangiovese, 34% Cabernet Sauvignon, 7% Petit Verdot and 2% Petite Sirah. The Sangiovese base contributes the ripe red berry flavors and balanced acidity. The Cabernet delivers the dark stone fruit and cherry flavors. Petit Verdot and Petite Sirah add just the right amount of spice and structure. Enjoy with red sauce based Italian dishes. **294 cases.**
