## CELLARS

### RED CELLARMASTER ~ SPRING 2021

This well-rounded selection—a new release and two Harmony Classics—will complement your backyard barbecues and beach picnics. Welcome Spring!

#### 2017 MERLOT

Price: \$28 . Club Price: \$22.40

Merlot is primarily used for blending in France, but we love this varietal for its upfront fruit and versatility. Flavors of cherry, currant and plum, complement dishes like grilled pork loin with a berry reduction or mushroom risotto.

#### 2017 SYRAH

Price: \$36 . Club Price: \$28.80

New release! This warm-weather Syrah is bursting with flavors of juicy blackberries and black cherries with a touch of vanilla. Pair this medium-bodied Rhone red with pulled pork, seared tuna or grilled sausages and vegetables.

#### REPertoire

Price: \$26 . Club Price: \$20.80

Chuck's classic, no-rules blend! This Petite Sirah based bottling is rich with dark berry flavors, stone fruit and spicy oak. Fruit forward and soft tannins mean this approachable blend is mellow enough for sipping but flavorful enough to partner with burgers and tomato-based pastas.
