

Wine Tasting by Appointment at Harmony Cellars  
Stage 2 of Reopening  
May 23-25, 2020

We are fortunate to be able to open our tasting room under guidelines of a restaurant. Because we must adhere to strict regulations outlined by Public Health (listed below), the wine experience will be a little different during these stages of reopening. You will, of course, be welcomed with same warmth by our knowledgeable and friendly staff. We are so excited to serve you. Please reach out with any questions regarding these new tasting policies 805-927-1625 or [info@harmonycellars.com](mailto:info@harmonycellars.com).
